individuals employed less than full-time who are seeking full-time employment; (2) individuals who are employed in a position that is inadequate with respect to their skills and training; (3) individuals who are employed who meet the definition of a low-income individual in WIOA sec. 3(36); (4) individuals who are employed, but whose current job's earnings are less than the self-sufficiency wage rate set by the LWDB, or are not sufficient based on their training and experience or compared to their earnings from their previous employment; and (5) individuals who are employed in stopgap employment.

Self Sufficiency

The self-sufficient wage is based on an individuals' wage. The self-sufficient wage for the Sullivan Workforce Area is \$17.01/hour. An individual who earns \$17 or less is considered not self-sufficient and would be eligible for consideration for training services.

Please Note: For individuals whose incomes include tips and/or commissions the self-sufficient wage is determined to be one of the following: \$16/hour; \$120/day or \$600/week.

Career Services

WIOA requires that career services be made available to adults and dislocated workers. There are three types of career services: basic career services, individualized career services and follow up services.

- ✓ Career services are provided based on the mutually identified employment needs and goals of the individual.
- ✓ The levels of career services are not intended to be provided sequentially.
- ✓ All career services that are provided will be tracked in OSOS.

1. Basic Career Services

These services can be provided by staff of the WIOA Adult and Dislocated Worker programs and Employment Services.

These are universally accessible services available to all individuals looking for employment and training services through the comprehensive Sullivan County Career Center. The services involve minimal staff involvement and include eligibility determination, initial skills assessment, labor exchange services, provision of information on programs and services and program referrals.

2. Individualized Career Services

These services must be provided after Career Center staff determines that the services are required to assist the individual retain or obtain employment. These services typically require intensive staff time and services are customized to meet the needs and goals of the individual. These services include specialized assessments, development of an individual employment plan, counseling, work experience including transitional jobs, etc.

WDB Sullivan Inc.

3. Follow-up Services

All adults and dislocated workers who enter unsubsidized employment will receive up to 12 months of follow up services after the first day of employment.

Work Experience / Internships

A work experience or internship is a planned, structured learning experience that takes place in a workplace for a limited time period. The activity can be paid or unpaid. It must comply with all appropriate laws. It can take place within the private for-profit sector, the not for profit sector or the public sector. An experience may not last longer than 4 months. It must directly support the employment goals outlined in a customer's employment plan.

Transitional Jobs

Transitional jobs will not be provided at this time.
